Commercial Transformation Expert | Business Collaborator | Team Leader

Commercial strategy executive with 20+ years of experience transforming revenue performance across (1,000 Rms - big box) major brands and independent hotel portfolios. Proven leader in designing enterprise commercial strategies, go-to-market initiatives, and revenue optimization platforms that accelerate growth, improve profitability, and strengthen organizational performance.

Passionate about uncovering untapped opportunities, building high-performing teams, and delivering sustainable commercial growth through data-driven strategy. Known for combining innovative thinking with strong commercial fundamentals and disciplined revenue management while embracing emerging AI platforms that are reshaping SEO, digital marketing, and the broader commercial landscape. This leadership approach and record of success are consistently validated by former executives, colleagues, and industry partners. References readily available.

COMMERCIAL TRANSFORMATION HIGHLIGHTS *(conventional career highlights)*

HayCreek Hotels

Vice President, Revenue Management & Distribution

2023 – Present

Lead commercial strategy, and distribution initiatives across a diverse portfolio of branded and independent hotels throughout the United States.

Key Contributions

- Partner closely with executive leadership and ownership groups to identify growth opportunities and improve profitability. Steer new projects to operational efficiency
- Achieved significant synergy by eliminating silos across Revenue, Sales, and Marketing to create a unified commercial strategy, supported by hands-on SEO, digital marketing, and demographic research
- Develop scalable revenue processes with current AI applications and structures
- Drive performance accountability through enhanced reporting, forecasting accuracy, and strategic planning. Direct portfolio-wide pricing, forecasting, distribution, and revenue optimization initiatives.
- Leverage portfolio strengths to achieve lucrative vendor pricing
- Consistently drove above average RevPAR and Index goals across the portfolio.

Highgate Hotels

Regional Director of Revenue Management & Distribution

2017 – 2023

Provided strategic oversight for major West Coast assets and new hotel openings while supporting corporate revenue leadership initiatives.

Key Achievements

- Directed revenue strategy for Hyatt Regency San Francisco Downtown SOMA (formerly Park Central San Francisco), spear heading renovations, navigating through COVID and lead two major brand transitions: Starwood to Marriott and Marriott to Hyatt
- Oversaw revenue management activities for multiple Las Vegas properties and other regional assets spanning California and the Midwest.
- Improved revenue management standards, forecasting processes, and operational efficiencies throughout the West Coast region.
- Recruited, developed, and retained high-performing revenue professionals.
- Supported Vice Presidents of Operations and Corporate Revenue teams on strategic initiatives and onboarding several hotels into the Highgate portfolio.

Hilton Hotels & Resorts

(2002 – 2017)

Cluster Director of Revenue Management

San Francisco Revenue Management Cluster 2016 – 2017

- Managed and mentored revenue leaders across Hilton, DoubleTree, and Embassy Suites properties. Recognized by the VP Ops as leaving Hilton on a very high note.
- Elevated forecasting accuracy and revenue management disciplines.
- Improved market share performance and STR results across the cluster.

Director of Revenue Management

Hilton New York Midtown 2015 – 2016

- Managed the revenue strategy for the 1,932-room Hilton New York Midtown.
- Oversaw approximately \$200+ million in annual rooms revenue. Advised leadership teams on ancillary revenues exceeding \$75 million in food and beverage and other operating departments in one of the nation's most competitive lodging markets.

Complex / Area Director of Revenue Management

Hilton Los Angeles, Embassy Suites and Hilton Garden Inn - Airport Complex 2014 – 2015

- Developed a proprietary revenue optimization strategy for parking operations.
- Increased revenue that beat the comp set, moving from a 97 RevPAR Index to 115 in a matter of 10 months. Hotel assets generated more than \$95 million annually.
- *Recognized as Hilton's top-performing Director of Revenue Management for hotels exceeding 750 rooms in 2015.*

Director of Revenue Management

La Quinta Resort & Club & PGA WEST, A Waldorf Astoria Resort 2013 – 2014

- Guided revenue management through an ownership transition.
- Delivered the highest year-over-year revenue growth among Hilton properties with more than 750 rooms.
- Developed analytical frameworks for food and beverage revenue optimization.
- Designed and implemented revenue management processes for nine golf courses.
- Started, trained and developed the property's Golf Revenue Management process.

Director of Revenue Management - Chicago Market - 2004 – 2006, 2010 – 2013

- Oversaw revenue strategy for multiple Hilton assets totaling approximately \$90 million in annual revenue. Directed revenue performance for the 1,544-room Hilton Chicago and associated portfolio properties.
- Sustained sell-out efficiencies ahead of company targets and recognized for forecast accuracy among all of the Chicago assets

Director of Revenue Management

Hilton Miami Airport 2006 – 2010

- Significantly improved RevPAR Index to 130+ within two months and retained it.
- Stamped a landmark occupancy run from January to April 2008 at 99.98%, with just 2 days in the entire 91-day stretch falling below 100% by a couple of rooms
- Named Director of the Year twice within a three-year period.

Director of Revenue Management

Hilton Inn at Penn, Philadelphia 2002 – 2004

- Developed an advanced forecasting and revenue optimization model capable of daily 365-day forecasting.
- Recognized as Manager of the Quarter for innovation and business impact.
- Helped increase average daily rate by +43% from beginning to finish

RESOURCEFUL SIGNATURE TRANSFORMATIONS *(innovative and differentiated)*

Below is a list of special achievements that were recognized and appreciated with awards.

Unifying Commercial Teams - HayCreek Hotels

Consolidated Revenue Management, Sales, Marketing, and Operations into collaborative commercial teams that improved forecasting, accelerated decision-making, and consistently delivered stronger business results. Leads the industry unequivocally.

Creating Golf Revenue Management – La Quinta Resort & Club & PGA WEST

Established one of the industry's first structured golf revenue management programs across nine PGA golf courses, introducing pricing, forecasting, inventory controls, and developing the property's first Golf Revenue Manager.

Transforming Parking into a Strategic Revenue Center – Hilton Los Angeles Airport

Created an innovative revenue management strategy for more than 1,500 parking spaces, unlocking significant new profitability from an overlooked asset.

Leading Through Continuous Change – Hilton Miami Airport

Successfully navigated three ownership and executive leadership transitions while maintaining exceptional commercial performance. Named Director of the Year twice within three years.

Guiding Landmark Hotel Transformations – Hyatt Regency SF Downtown SOMA

Led commercial strategy through major renovations, the COVID pandemic, and two successive brand transitions while preserving long-term revenue performance.

Special recognition for consistent forecast accuracy – Hilton Chicago cluster

Earned recognition for consistently maintaining sub-3% forecast variance across large and small hotels while establishing coaching and accountability processes that improved Sales forecast accuracy and bonus performance. Outside of normal trends.

CAREER PHILOSOPHY

My career has been defined by identifying overlooked opportunities and transforming them into sustainable competitive advantages that drive revenue growth, profitability, and long-term enterprise value, that includes fostering a culture that develops talent.

Personal Attributes: Integrity • Accountability • Creativity • Strategic Thinking • Team Development • Continuous Improvement

** Earned the trust and confidence of executive leadership and ownership groups throughout my career, with exceptional references available upon request. Regarded and remembered.
